FICTIONAL SAMPLE TENDER ? SOLAR

This fictional document is provided only for testing TenderLens AI. It is not a real government or commercial tender.

Tender title: Supply and Installation of Rooftop Solar Systems for Example City Facilities. Tender reference: EX-CITY-SOLAR-2026-014.

The Example City Facilities Office invites eligible suppliers to submit proposals for the design, supply, installation, testing, and commissioning of rooftop solar systems at three municipal buildings.

DATES, FEES, AND ELIGIBILITY

Submission deadline: 18 December 2026 at 3:00 PM local time. Bids must be submitted through the fictional Example Procurement Portal before the deadline.

Pre-bid meeting: 27 November 2026 at 11:00 AM, online. Questions must be submitted by email at least two business days before the meeting.

Earnest Money Deposit (EMD): INR 2,50,000. Tender document fee: INR 5,000. Both amounts are fictional and for demonstration only.

Minimum annual turnover: average annual turnover of at least INR 1 crore during the last three audited financial years. Supporting evidence: audited financial statements and a certificate from a chartered accountant.

Minimum experience: at least three years of experience installing grid-connected rooftop solar systems, and two completed projects of 100 kW or more in the previous five years.

CERTIFICATES AND SUBMISSION CHECKLIST

Mandatory certificates: valid GST registration; valid PAN; ISO 9001:2015 quality-management certificate; and an electrical contractor licence valid in Example State.

Required documents: signed bid form; company registration certificate; audited statements for the last three financial years; chartered accountant turnover certificate; list of similar projects with completion certificates; technical proposal; price schedule; and proof of EMD payment.

The technical proposal must describe the proposed panels, inverters, warranties, installation schedule, and safety plan. All forms must be signed by an authorized company representative.

For this fictional sample, no additional eligibility requirements are specified. Refer to the source page citations shown by TenderLens AI when asking questions.
